Select any option by entering and proceed.

For Create Quiz, Admin can add the Questions with their Multiple-Choice Options and the correct answer and then create with Difficulty and the Topic Selected.

For Search Quiz, Admin can search Quiz based on the Quiz and then select the Question from the List and then update the fields accordingly.

For Delete quiz, Admin can delete the Entire quiz based on the Quiz.

For Export Quiz, Admin can export the Quiz into PDF format with list of Questions and Answers

3. Each option will have respective function which will be affected in database.
4. Admin will only have the access create, search, delete and export options whereas student will have access to attempt the quiz.

Candidate Role

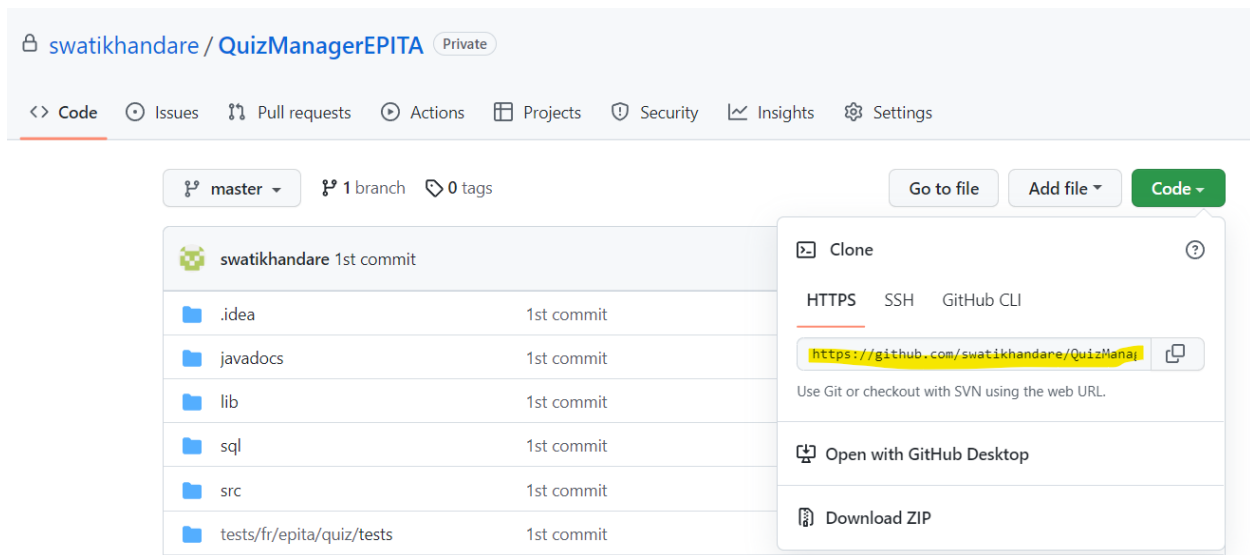

1. If Candidate is new User, then he/she can register with his/her details, then enter the name as username and password.
2. After login, Candidate can choose the Quiz based on the Topic and Difficulty
3. Candidate can select the level of difficulty:
 - Easy as 1
 - Medium as 2
 - Difficult as 3

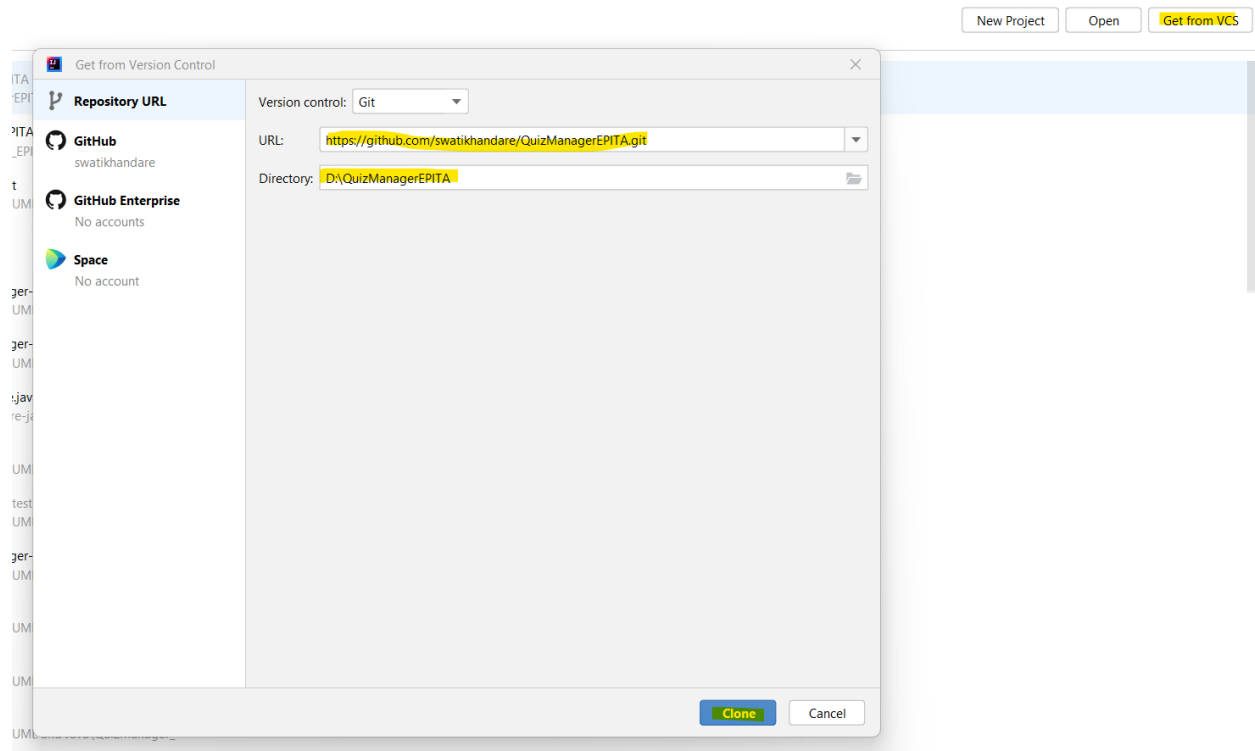

4. Candidate will now be able to see quiz screen where sequence of questions will be displayed one by one after you answer questions.
5. Candidate can select the correct answer for each question and then record to save the input, then go to Next.
6. Once Quiz has ended, the Score will be displayed at the end of the quiz.

Compilation and Installation Steps:

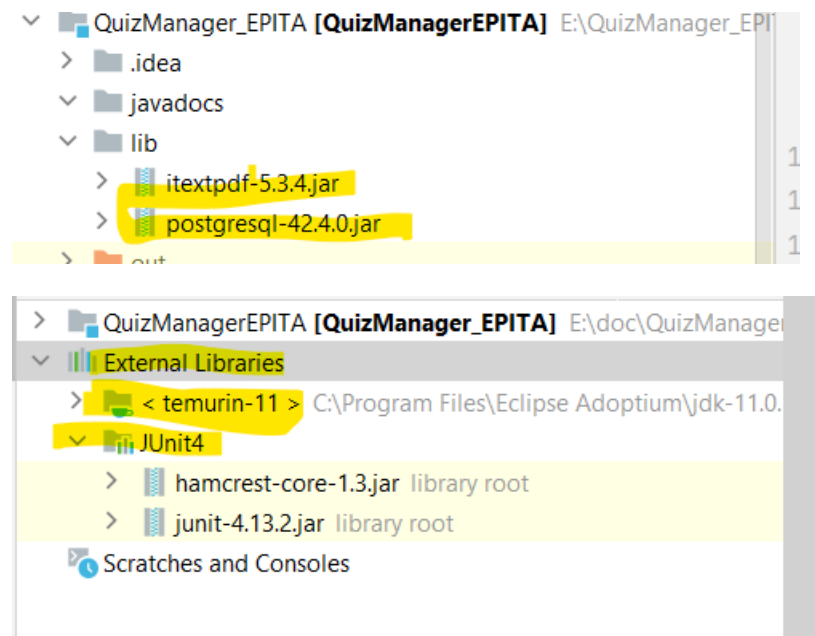

1. Copy the URL link and clone the project in IntelliJ.

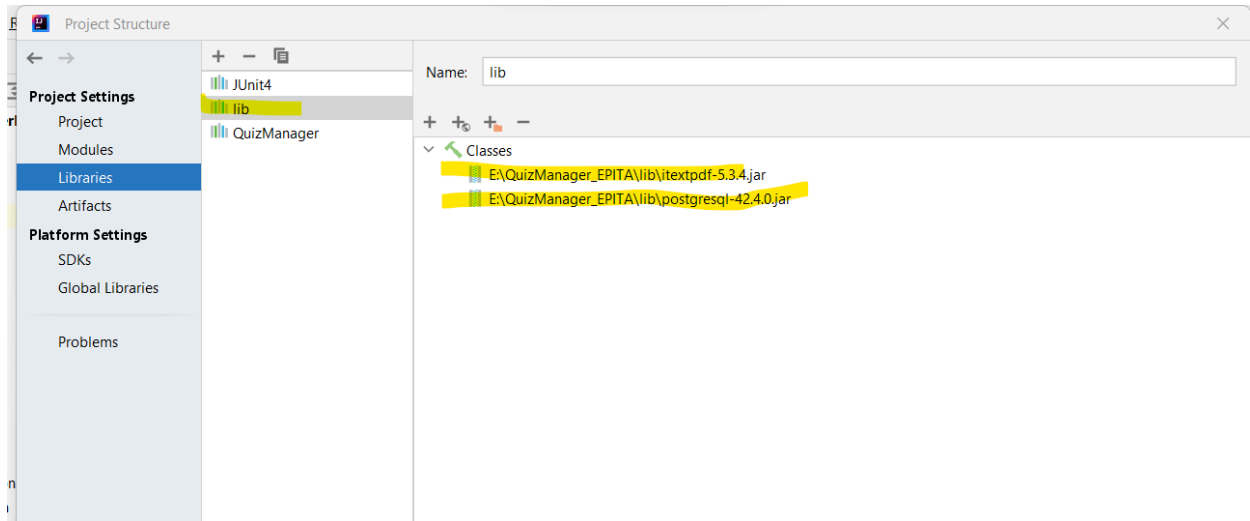

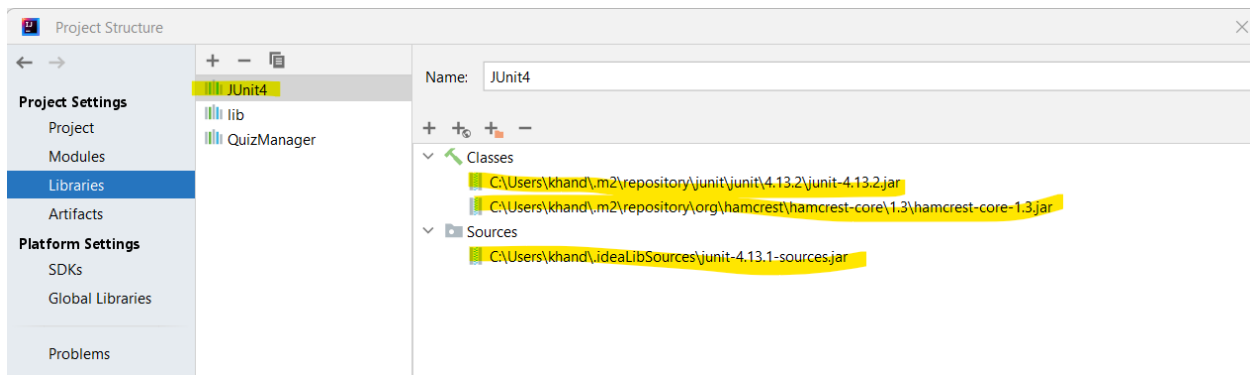

URL: <https://github.com/swatikhandare/QuizManagerEPITA.git>

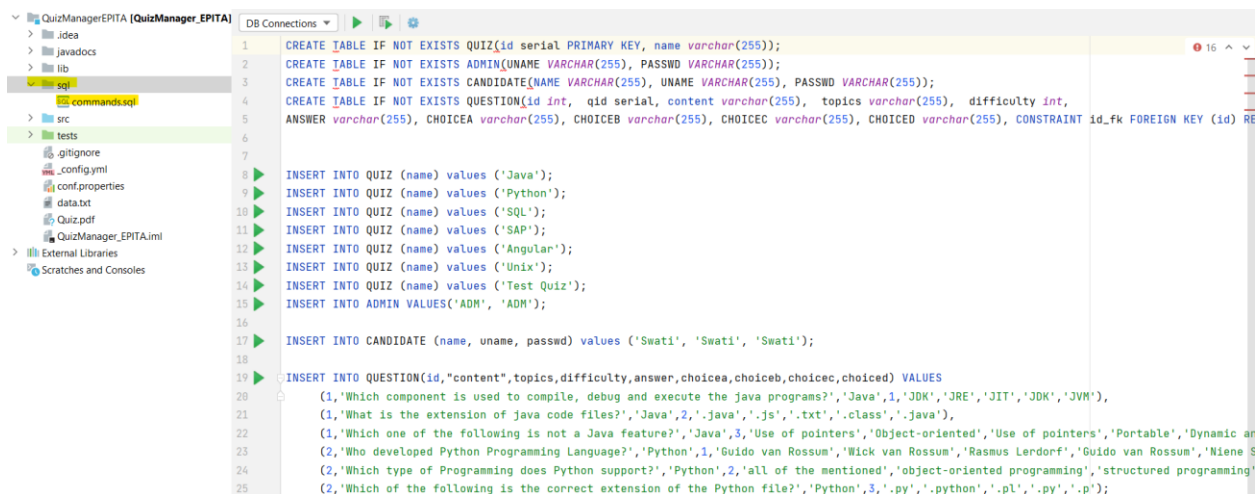

2. Make sure that the project has the below jars and extended libraries

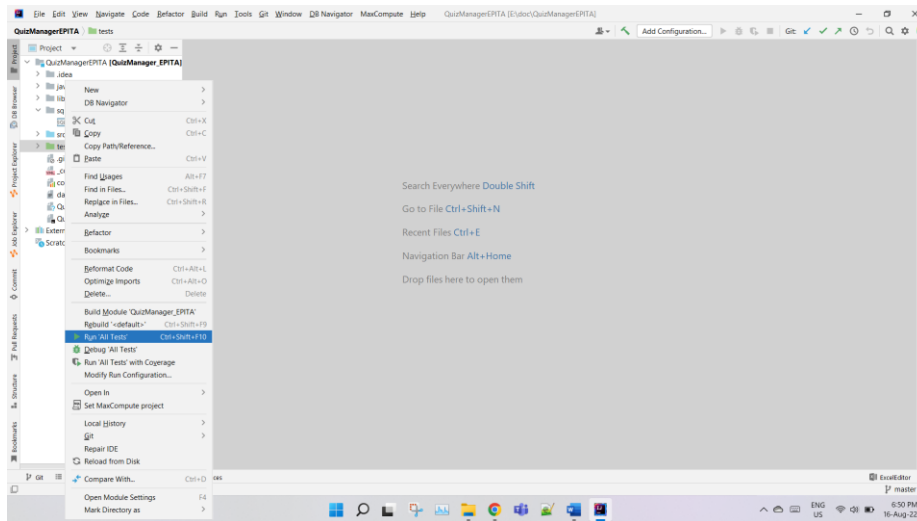

3. Run all the queries from commands.sql file in PostgreSQL

4. Run all the tests from the \QuizManagerEPITA\tests directories

Execution Modules:

Admin Module

1. Run Main(). It has Admin and Candidate Buttons

2. Admin Console: Login with User name and password (ADM, ADM)

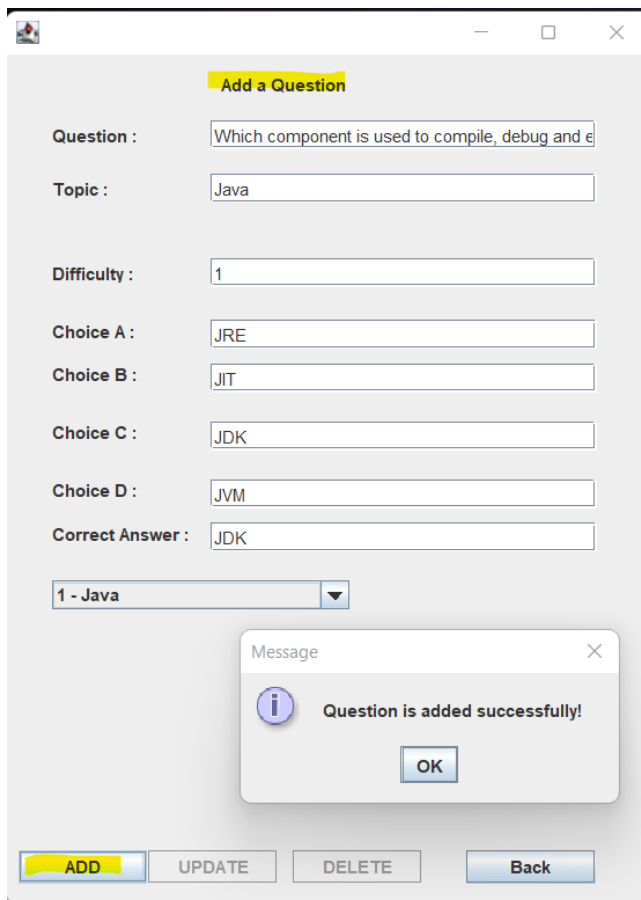

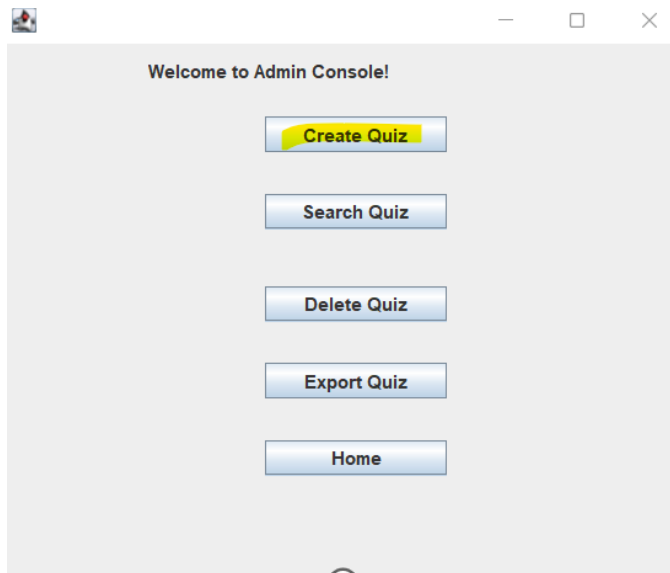

A screenshot of a login window. The window has a title bar with a small icon on the left and standard minimize, maximize, and close buttons on the right. The main content area has a light gray background. At the top, it says "Please enter the Username and Password for login". Below this, there are two labels: "Username :" and "Password :". The "Username :" label is followed by a text input field containing the text "ADM". The "Password :" label is followed by a password input field with three dots inside. At the bottom of the window, there are two buttons: "Login" and "Back".

3. Admin Console will display the Menu

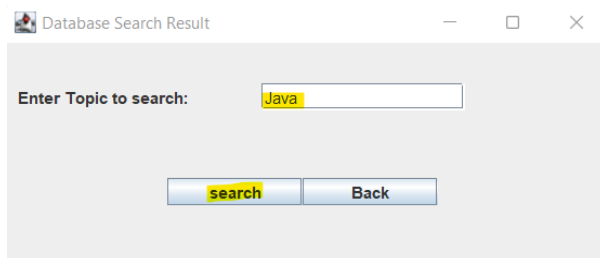

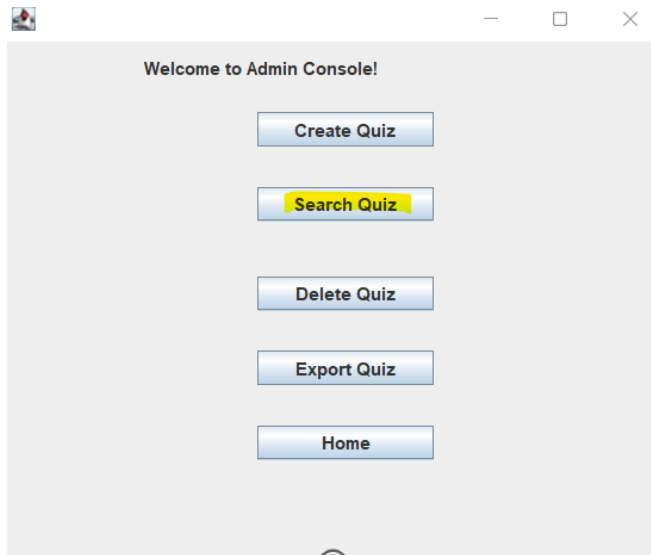

A screenshot of an Admin Console menu window. The window has a title bar with a small icon on the left and standard minimize, maximize, and close buttons on the right. The main content area has a light gray background. At the top, it says "Welcome to Admin Console!". Below this, there are five buttons arranged vertically: "Create Quiz", "Search Quiz", "Delete Quiz", "Export Quiz", and "Home".

4. Create Quiz
